

The new school of arts

Published on Beaux-arts°Nantes (<https://beauxartsnantes.fr>)

The new school of arts

Starting from September 2017, more than 400 students (of whom 38% internationals) and more than 800 people of all ages will occupy the new spaces created specially for higher education, for public courses and for arts education in the new school on the Ile de Nantes.

Open School

The Nantes school of art will offer new spaces for all publics : a resources center, a shop-gallery organised by students and alumni, a social grocery store, a gallery

New school, new address
